

Grand Rapids Community Foundation is looking to fill the following full time position:

Program Director—Are you a **strategic thinker** who deeply **values diversity, equity** and **inclusion**? Are you passionate about **removing barriers** for communities experiencing inequities? Does **community engagement** and **partnership** excite you? Are you a **team player** who **adapts** well to change and exercises **strong judgement**? Do you **listen** and **lead** with **empathy**?

The Program Director will work under the supervision of the Vice President of Program to build, lead and implement strategies to allocate resources that balance systems-level work with support for catalytic opportunities at the grassroots level. The ideal candidate will have a deep understanding and commitment to the Community Foundation's North Star, which is to create an inclusive economy and thriving community in West Michigan.
