Dear Ms. Reader,

We did it! Thanks to your generous support, our Youth Advisory Council was able to write a \$1,000 grant for Lawrence high schools after school tutoring program! Thanks to you, Lawrence high school now has new books, school supplies, and trained staff to help educate and empower their students to be on track for post-graduate studies.

The look of joy and pride on these students' faces now that they have a safe place to receive academic support is beyond amazing. One student named Sharon has made life-changing progress in the after school tutoring program. Sharon was able to raise her GPA and has recently gotten accepted into Grand Valley State University where she will study Marine Biology. Sharon's success along with the successes of all the other students are all possible due to your generous gift!

On behalf of all of us at the Youth Advisory Council, we would like to thank you for your kind donation and would love to extend an invite for you to get more involved within our foundation! To find out more about the Youth Advisory Council go to <https://www.michiganfoundations.org/youth>

Again, thank you! We love your support!
