

Philanthropy Awards 2023 - Emerging Leader Award

Emerging Leader in Philanthropy Award (2023)

Page description:

The Emerging Leader in Philanthropy Award was established in 2021 by CMF and the Emerging Practitioners in Philanthropy (EPIP) Michigan Chapter. The award honors an emerging practitioner in the field for their demonstrated leadership, commitment to diversity, equity and inclusion and advocacy for social justice in their work. The award celebrates emerging leaders working in Michigan who have advanced connections in the field and shown support for peers in the emerging leader space. Emerging leaders include individuals from all career pathways, positions and ages with experience levels under 10 years.

Nomination Guidelines and Process

Nominees need to be a staff member, trustee or committee member of a CMF member organization to qualify.

To nominate an individual please submit this online form, which includes request for the contact information of the nominator and nominee, along with a brief narrative describing the nominee's demonstrated leadership, commitment to diversity, equity and inclusion and advocacy for social justice in their work, as well as their efforts to advance connections in the field and support peers in the emerging leader space.

You do not need to complete this nomination form in one sitting; you can save your progress and re-access the form by choosing the "Save and Continue" option shown at the top of the survey window once the first page is complete. You will then receive an email from "noreply@alchemer.com" inviting you to re-access the form via a custom link.

Nominations are due July 14, 2023.

The team of peer reviewers who are reading the nominations may request additional information to support the selection of final candidates, including contact information for two individuals who can serve as references for the nominee.

Selection and Recognition

A volunteer peer panel will review all nominations and select the award winner. We will contact all nominators with the results of the selection process by mid-August.

Honorees will be notified of their nomination and selection as the award recipient via special call (or video call) hosted in collaboration with the nominator.

This year's award recipient will be honored during CMF's 51st Annual Conference taking place November 6-8, 2023, in Detroit.

For More Information and Accessibility Support

Questions about this award and requests for accessibility support may be directed to Sue Cuddington, executive assistant to the CMF president and CEO, at scuddington@michiganfoundations.org.

1. Nominator Information *

First Name

Last Name

Title/Role

Organization

Phone

Email

Including an email address allows you to submit a partial form and revisit it at another time prior to the deadline.

2. Nominee Information *
